Telephone:__________________________    Service Address:___________________________

Property Owner:________________________________________________________________

Number of People in Household:___________________________________________________

If an existing service, date to be turned on:___________________________________________

Type of Service:  Commercial (Business)_________                 Residential_________

If applicable, type of business:
_____Service Station      _____Public Works      _____Fraternal Hall      _____Club
_____Restaurant      _____Tavern      _____Church      _____Other________________________

Check all that are applicable:

1. _____Water Connection:
   _____Existing Service       _____New Service

2. Size of Water Meter Connection:
   ____¾”       ____1”       ____1 ½”       ____2”       ____3”      ____Other_______
   (If this is an existing service and you are unsure of meter size, please ask for assistance at City Hall)

A water deposit is payable at the time of application. The amount of the deposit is based on the water meter size. Any deposit or unused portion of a deposit may be refunded after 12 months providing that the following conditions are met (Ord. No. 20000119-790):

- The deposit was made for the purpose of securing payment of charges for utility services rendered to that person.
- The person has satisfied all obligations to pay for utility services provided to that person.
- The person requests refund of the deposit (applications are available at City Hall).
- Utility services to the person have been terminated at the request of the person.
• Or, more than 12 months have elapsed since the deposit was made and the person has had, for the 12-month period prior to the request, no delinquency or default on the account.

All water utility customers are required to comply with the City of Waitsburg’s Cross-Connection Control Program (Ord. No. 20011117-824).

3. _____Sewer Connection:
   _____Existing Service  _____New Service

4. _____Solid Waste Collection Services (Garbage Services):

   If a commercial business, desired size of solid waste (garbage) collection receptacle:
   _____60-gallon  _____96-gallon  _____300-gallon  _____Other
(A 105-gallon garbage receptacle will be the standard size receptacle provided to residential units. Upon request, a 60-gallon container will be available at a rate of $13.06 per month.)

The following must be submitted with this completed application form to be accepted:

• Fees:
   _____Application fee in the amount of $5.00
   _____Water Deposit Fee
   _____¾” meter - $101.70
   _____1” meter - $109.80
   _____1 ½” meter - $120.90
   _____Other_________
   _____If applicable, new service fees
(If this is an application for a new service and the application is approved, the applicant will be responsible for a plumbing permit fee, system connection fee(s) and installation fees. Installation of services includes extension from the City’s main line to the applicant’s property line. These fees will be calculated upon approval of application and are due payable prior to installation of service(s) Applicant acknowledges that they have read and understood the terms of Ord. No. 991215-783, which pertains to connection fees).

• A legal description of the property.

• If this is an application for a new service(s), a site plan that includes the dimensions of the property and a location on the property that the applicant would like the water/ sewer service(s) extended to. The services will be extended from the City’s main line to applicant’s property line only.
